Please warn your students and parents.

Diving Entries:

Entry Deadline: Divers must be indicated as participating in 1 M Diving on the entry sheet submitted with the swimmers.

Sheets: Diving entries should be submitted electronically. Access www.cleanentries.com to register you, your team and the divers. The meet is listed as the *UIL Region VI 6A*.

This is the process for the state meet, also. The same instructions are on the UIL state meet site http://www.uiltexas.org/files/athletics/state-swimming-diving/2011_State_Diving_Entry_Instructions.pdf . For any questions about entering, call Chris Roberts.

The sheets must be submitted by 4:00 PM, Monday, Jan. 28th . All diving sheets must be signed by the diver and the coach before the start of the meet: National Federation Rule 9: Section 3: Article 4. Failure to have these signatures will disqualify the diver from the competition. Changes may be made up to one hour before competition begins.

Swimming Entries:

Qualifiers: Six (6) individuals and relays qualify from each District to the Regional meet.

Email your entries on Hytech Team Manager report and mail the entry fee check as soon as possible following the District meet. ***The entry deadline is Monday, Jan. 28th .***

Fees: There will be a charge of \$7.00 per contestant per individual event and \$14.00 per relay.

All checks are to be made out to: PHS Aquatic Booster Club. This meet is exempt from the Athletic Director's Agreement.

Information: Please include your name, school address, work and home phone, *e-mail*, and the best time to get hold of you.

Substitutes: After the entry deadline, no changes of entries will be allowed unless the contestant is being scratched from the meet. If one of your swimmers qualifies in an event that you know he or she will not swim at Regional, please have the person completing your Region entries make the necessary changes prior to turning in the Region Entry Forms. Indicate on the cover sheet the changes that were made and write scratch in the event they had qualified in.

Changes/Adjustments: After the entry deadline has passed -4:00 pm, Monday, January 28th, the psyche sheet will be emailed to your District Athletic Office as soon as it is prepared, and a copy e-mailed to the address you provided.

Adjustments from scratches and alternate entries will be made as long as possible. After the prelims begin, a scratch will result in an open lane.

After the prelims are completed, scratches and alternates will be accepted for one hour. Once the finals have started, a scratch will result in the lane left open.

Finals Advancers: Top sixteen times advance to finals in individual and relay events. Any event that has eight or less entries will automatically advance to the final session.

Scoring: Sixteen places will be scored in all individual and relay events.

Awards: Team trophies will be awarded to the first place teams. Individual medals will be awarded to the top three finishers in each event and ribbons for places 4-8.

Tie breakers: If two or more divers have the same score at the end of the competition, the points will be split and a coin flip will determine the medal award. If there are ties in swim events, the points will be divided and the preliminary time will determine the place for advancing. If a tie still exists, a coin flip will decide the place. No additional medals will be provided for divers or swimmers.

State Qualifiers: Relay entries to the UIL State Meet should be in the UIL office 10 days prior to the start of the meet (Tuesday, 5th). No entry sheets need to be sent to the UIL for the state meet, only indicate your relays. If you are scratching a swimmer or relay after you have left the Region Meet site, contact the Region Meet Director and the UIL with that information. It is your responsibility to get any information to the UIL office they request. Check their website for your responsibilities.

Meet Committee: The Meet Committee will consist of the Meet Director, one official, each District's Meet Director (or a coach from that District nominated by the Meet Director), and two students-at-large (one male, one female) chosen after the District meets.

Weather Contingency Plan: In the unlikely event that a session(s) needs to be cancelled, the corresponding events and times will be the following Monday and/or the first available day after then.
